TO: 2023 Team Tennis Site Manager  
SUBJECT: Tournament Administration

Thank you for hosting a regional final for the 2023 IGHS AU Team Tennis Tournament. The regional final will be completed on Tuesday, May 16 for most sites, excluding one final taking place on Saturday, May 20 in 1A. AD's or tournament managers should communicate exact meeting times and locations with visiting schools prior to the competition.

Tournament awards will be shipped from the IGHS AU to regional final sites via UPS. Along with the ticket punched sign, banner, bag tags, and medals, an informational letter and photo form should be given to the regional champion at the site. Our state tournament central is located at the top of our webpage. Additional copies of the photo form and informational letter to be given to the regional champion team can be found on the state tournament central site.

Cheers to a great tournament series!
