Hats - no hats are allowed.

If not in appropriate uniform and it cannot be corrected immediately the player will be disqualified and team will use an absentee score for the game in which that bowler is participating.

RULES

The IHSAA/IGHSAU will rule on any situation arising, which is not covered specifically by the IHSAA/IGHSAU/IBF Guidelines, the IHSAA Handbook, or the United States Bowling Congress High School Division rule book.

GAMESMANSHIP

The Bowling Advisory Committee and the administrative staffs are concerned about "gamesmanship" being used in bowling competition. Accordingly, the Advisory Committee recommended and both Boards adopted the following rule: **"Coaches shall remain two feet behind the approach area and not be in a position that impedes the competitive bowlers."** There is no reason why coaches or non-competitors should be in any position to disrupt bowlers. We will monitor this practice and stricter restrictions may be imposed. Coaches, take care of this so your governing bodies won't have to impose further restrictions.

BOWLER'S AREA

The host school is responsible for designating a bowler's area during the match.

Authorized Personnel: The coach(es), participating bowlers and bowling center staff as needed, are the only persons authorized to be in the bowler's area during a match. Substitutes and other interested parties must remain behind the area defined as the bowler's area.

A. Team Structure:

1. A varsity or junior varsity team shall consist of no more than 6 bowlers. A team may have an unlimited number of reserve bowlers. Each of the six team members will bowl individual games with the best 5 two game total pin scores being used to determine the team individual total.
2. A legal lineup may consist of a minimum of 3 bowlers and 2 vacancies or subs.
3. Coaches may change player(s) on a team after a game but not in the middle of a game.
4. Six (6) bowlers will bowl two regular games of competition and five (5) bowlers 5 games (one equivalent game) of 5 person Baker Format. (See Substitution Rule)

B. Competition Format:

1. Round 1 (approximately 35 minutes) Two Games: Six (6) players bowl straight individual 10 frame scoring. Between rounds, both teams assemble on one pair of lanes. The top five (5) two game total pins from Round 1 are added to each team's first frame of Round 2. (If scoring units will not accept total pins from Round 1, enter the difference between both teams total for Round 1.) Cross-lane bowling procedures will be used for Round 1.
2. Round 2 (approximately 45 minutes) Five Games Baker format (one equivalent game): As games progress, total pins are always visible on the scorer. Substitutions AND BOWLING ORDER CHANGES may be made in this round BETWEEN GAMES. Coaches will have the opportunity to create a new bowling order prior to each Baker game. For example: Player A could be the first bowler in game #1, the second bowler in game #2, not bowl in game #3, be the third bowler in game #4, and be the fourth bowler in game #5. Teams will bowl all frames of each Baker game on one lane, switching lanes only between games.
3. Total combined pinfall of both rounds wins the match. In case of a tie, there will be a roll-off consisting of one Baker game to determine the winner.

C. Playing Format:

1. Team Presentation: A team is expected to present a legal lineup on the lanes at the scheduled starting time for each match.
2. Practice Balls: Bowlers will be allowed two (2) deliveries per lane for both regular season and tournament play. Bowlers are not permitted to bowl on the same day, prior to a competition, in the bowling center where the competition is to be held with the exception of PE classes and school and youth sponsored events or programs. A bowler that violates this provision will not be allowed to compete in the given event.
3. Lineups: Coaches shall post their roster five minutes prior to the scheduled start time. Teams bowling on the odd-numbered lanes will enter their lineup first.
4. Absentee/Vacancy: An absentee/Vacancy score of zero (0) shall be given when a team has a legal lineup but less than a full lineup at the start of any game in the series. Two or more members are required for team format.
5. Conduct of Coaches, Players, and Spectators: IHSAA Policy will be enforced.
 - a. All bowlers will remain in the immediate bowling area while competition is in progress.
 - b. Bowlers will be expected to follow the previous bowler promptly and will be required to bowl as soon as the one lane to their right is clear.
 - c. Unsportsmanlike conduct, including but not restricted to vulgar language, or abuse of equipment or facilities is not permitted. Violators are subject to disqualification.
 - d. Foul Line: The foul line shall be observed during match play. Awards will not be issued if automatic foul detecting devices or a human foul judge is not used. When a player deliberately fouls, the player shall receive zero pin fall for that frame.
6. Score keeping: Score keeping will be performed by a computer/automatic scoring unit in centers so equipped. If a center is not equipped with automatic scoring, an independent, non-biased third party will perform scoring. It will be the responsibility of coaches to verify that scores are complete and accurate. Coaches must sign official score records and leave a copy with tournament official.

No electronic use (cell phone, iPod, mp3 player etc) is permitted in competition area during warm-up or competition. Failure to follow this rule will result in disqualification of bowler and a score of 0 for the game.

Note: At the conclusion of the game in which disqualification occurred a substitute may be allowed to enter the competition to replace the disqualified bowler.

Bowling out of Rotation/Order: Any ball(s) thrown out of order will be scored as a zero. Example: If bowler #3 bowls in place of bowler #2, then bowler #3 receives a zero for their next designated turn for any ball(s) thrown in the incorrect frame. Bowler #2 will bowl the frame in which they were supposed to bowl.

NON-SCHOOL COMPETITION

If approved by the school, it is permissible for student-athletes to participate in youth and/or adult bowling leagues during the bowling season. Student-athletes are never to accept cash while participating in these leagues, but may receive merchandise from the bowling proprietor. Student-athletes are responsible for knowing the rules regarding potential violations and their amateur status in the sport of bowling.

POST-SEASON PLAY

Only IHSAA/IGHSAU sanctioned schools shall be allowed to participate in post-season play.
