Regional Volleyball Host Checklist

Thank you for hosting a Regional volleyball match. Below is a checklist of things you should know for the upcoming event:

1. **Regional Volleyball Manual** is found on the IGHSAU website under *2022 Volleyball Tournament Central*. It outlines details you need to know for hosting the Regional final volleyball match. **Please review it.**
2. Notify schools assigned to your site of the **start time** and **gym location** for your match.
3. Remind schools assigned to your site they must submit the **Regional Team Roster Form** (in Bound) to you prior to your regional match. Click IGHSAU logo on left tab or on top of your schools' main volleyball page.
4. **Host School Neutrality:** The host school should provide an atmosphere of neutrality. The host team shall not have special intros/music or preferential treatment because it is their home gym. Both teams shall be introduced in the same fashion. This includes the delivery of your public address announcer.
5. **Live Streaming:** Media outlets and interested schools or individuals may apply to the IGHSAU regarding video broadcasting access at select postseason lead-up events while following procedures required for access. Live streaming policies, fees and application are located on the IGHSAU website (ighsau.org) or you can contact Jason Eslinger at jasoneslinger@ighsau.org or 515-401-1836 for additional information.
6. **Tickets:** Host schools must use online ticket sales for all IGHSAU Regional matches. Schools may utilize their school's regular season online ticketing platform or use the Bound ticketing platform. Bound will communicate with all host school ADs about setting up tickets for each match.
7. **Officials:** IGHSAU assigns the R1, R2 and line judges for regional semi-finals and final matches. Host schools are responsible for providing line judges for all matches leading up to the regional semi-final. You can find your match officials in your Dragonfly account. For assistance finding your officials, please contact Sherry Tegtmeier at sherry@ighsau.org or 515-401-1839.
8. **Game Ball:** The Spalding TF-VB5 is the official tournament volleyball and must be used. It is recommended you have multiple TF-VB5 volleyballs available for a multiple ball rotation.
9. **Score Reporting:** Immediately following the regional match, enter your scores directly into Bound as you have done all season. Bound will automatically update the regional brackets.
