

JUNIOR HIGH SPORTS MANUAL GRADES 7 & 8

The purpose of this Junior High Sports Manual is to clarify the rules and regulations for seventh and eighth grade girls' athletics for the member schools of the Iowa Girls' High School Athletic Union. Information is provided regarding rules and regulations plus some answers and clarifications to some of the most frequently asked questions.

The purpose of the Iowa Girls' High School Athletic Union shall be: To promote, direct, protect, and regulate amateur interscholastic athletic relationship for junior high and secondary girls between member schools and to stimulate fair play, friendly rivalry, and good sportsmanship among contestants, schools, and communities throughout the state of Iowa. Hopefully participation is the primary focus of junior high sports.

Membership and Dues: All senior and junior high schools in the state desiring membership or associate membership in the IGHSAU may make application to the Board of Directors. Application for membership is subject to approval by the Board of Directors. The annual dues of the Union shall be \$50 for member schools. Membership dues shall be paid in advance and shall be for the year July 1 to June 30. Membership expires at midnight of June 30 of each year. Penalties are assessed on July 1 and August 1 a school is not eligible to compete until their dues are paid.

Cooperative Sharing Agreements: It is permissible for a junior high member school to enter into a cooperative sharing agreement with another junior high member school when the need exists. The schools involved in the agreement must share attendance boundaries unless schools who do share boundaries do not offer the program or refuse to enter into a sharing agreement. A school may have a cooperative sharing agreement with only one other school, unless all schools involved agree to separate sharing agreements. The procedure to be followed is that the Board of Education of each member junior high school must formally agree to the combining of teams. Each school should keep a copy of the agreement on file for reference. The schools are NOT REQUIRED to file these agreements with the Iowa Girls' High School Athletic Union.

BY-LAWS - ARTICLE V - JUNIOR HIGH

Section 1. For each junior high attendance center within a district where interschool competition is allowed, a membership must be maintained with the IGHSAU.

Section 2. All students participating on a team from a junior high attendance center must be enrolled in the same school.

Section 3. Any time there is more than one junior high attendance center in a school district, any game between those two attendance centers must count towards the team limitation.

Section 4. All starting times are determined by the host school.

Section 5. Ninth grade students (and older) are ineligible to compete with seventh and eighth grade students, on junior high teams except for eighth graders in softball. This applies to all competition teams in the Athletic Union administered events.

Eligibility: All students shall be eligible upon entering the seventh grade. The Department of Education has no eligibility rules governing seventh and eighth grade students. Local school districts shall establish their own rules and guidelines regarding academic and good conduct rules for eligibility. Students in grades below 7th grade are not eligible to practice with or compete on junior high teams. Exception: After completion of their sixth grade school year, a girl may participate on the junior high softball team.

Physical/Medical Examination: Any student who desires to participate in interscholastic athletics must have a medical examination prior to participating. The certificate of medical examination is valid for one calendar year. A grace period not to exceed 30 days is allowed for an expired physical examination. In addition, the concussion form must be signed and returned to the designated school staff annually before being allowed to participate.

Administrative Regulations: "Males shall be excluded from female athletic teams". This policy was approved by the IGHS AU Board of Directors, September 9, 1990 and reaffirmed on June 28, 2006.

Local school districts shall determine practice protocol and schedules for their respective 7-12 grade girls' teams. Each local school will determine how their practices will be scheduled for all 7-12 grade participants in their girls' sports. It is not permissible for 7th and 8th graders to compete in high school competitions and intersquad scrimmages against other schools (exception: 8th graders playing softball).

Sixth-graders and younger are not allowed to practice or compete with 7-12 grade teams.

Subject to local school district approval, boys may participate in girls' practices in all sanctioned sports. Each school district can establish their own procedure and protocol of whether to allow or not allow boys to practice against girls' teams. Boys may only be utilized in a practice setting and are never allowed to compete or scrimmage against any opposing team or player.

Officials: It is recommended that competition involving junior high students in volleyball, basketball, soccer and softball have at least two registered officials. Track, cross country and swimming competitions require one registered official. Any competition involving junior high students must have at least one registered official. High school students are permitted to officiate junior high contests if they are registered with the IGHS AU or if the other official is registered.

MEMBER JUNIOR HIGH SCHOOLS AND THEIR CONTESTANTS MUST OBSERVE THE REGULATIONS AND LIMITATIONS APPLICABLE TO MEMBER HIGH SCHOOLS AND THEIR CONTESTANTS UNLESS SPECIFIC JUNIOR HIGH RULES APPLY. THOSE EXCEPTIONS ARE LISTED HEREAFTER:

School teams are only permitted to play against other school teams. A school team cannot play against an AAU, club or parks and recreation team.

The junior high fall sports season may begin on Monday of Week 8 (or the 1st day of school – August 23, 2019). Other junior high seasons may be any time during the school year, but it may not be longer in length than that of the high school season (exception-softball and soccer may be during the summer).

Uniforms: Allowances shall be made by officials regarding uniforms which do not totally conform to all requirements of the rule book. Many schools use hand-me-down uniforms or practice jerseys in an effort to allow all players an opportunity to participate. Latitude shall be given to teams whose uniforms are of the same basic color but may vary in other aspect (ie...style, trim, minor color variance, duplicate or illegal numbers, etc). However, junior high athletes are expected to conform to the rule book in regard to t-shirts and undergarments worn under the jersey or short, hair devices, headbands, etc. For 2016-17 the IGHS AU has an Adaptation in cross country and track and field that “jewelry may be worn by competitors except a watch with GPS capability is illegal”.

Ejection Policy: Should a coach or player be ejected from a contest in any sport, the following procedure is in effect.

First offense: The school administration and game officials shall notify the State Office the following business day. The school administration must meet with the offender and file the Ejection Report form (found online at the IGHS AU website) with the State Office. The normal penalty for a first offense is a one-date suspension. However, a lesser or more severe penalty may apply upon review of the incident.

Second offense: The school administration and game officials shall notify the State Office the following business day. Written report is mandated, as required procedurally with a first offense. The standard penalty for a second offense within one year of the initial offense, is school membership sanction and the violator is subject to a multi-date suspension. However, more severe penalties may apply if warranted.

Third offense: The school administration and game officials shall notify the State Office the following business day. Written report is mandated, as required procedurally with a first and second offense. The penalty for a third offense will be determined after a formal hearing by the Board of Directors.

Anyone ejected (coach or player) must view the National Federation’s Sportsmanship video prior to being allowed to participate in future games.

IMPORTANT CONCUSSION INFORMATION

The Iowa Legislature passed a new law, effective July 1, 2011, regarding students in grades 7-12 who participate in extracurricular interscholastic activities. All 7-12 coaches, paid and volunteer, must view the National Federation concussion video prior to the first day of practice. Please view the Iowa Code Section 280, 13c and other important concussion information and management protocol on the IGHS AU website (www.ighsau.org).

FREQUENTLY ASKED QUESTIONS:

Q—Can a high school coach allow an especially talented 8th grade girl to scrimmage against his high school team?

A— Each local school shall determine practice protocol and schedules for grades 7-12. However, a junior high player cannot scrimmage against another school.

Q—Our high school team had a very small squad, not enough to practice or scrimmage. Can our 8th grade team practice with the high school team given these circumstances?

A—Yes. Each local school shall determine practice protocol and schedules for grades 7-12. It is local school decision how to structure 7-12 practices including scrimmage against their own team (junior high could not scrimmage against another school's team).

Q—Can a 5th or 6th grade student play on the junior high team?

A—No. A student must be in 7th or 8th grade in order to practice or compete on a junior high team with the following exception: a student who has completed the 6th grade may play on the junior high school soccer or softball team during competition that summer; however a 5th grade student would never be eligible to play on the junior high team. Sixth grade and younger students may never practice or compete on the junior high team in any other sport.

Q—Do junior high coaches have to be certified?

A—Yes. Anyone whether under contract or voluntary who performs coaching duties must be properly licensed or certified.

Q—Our school has a large number of athletes and not enough coaches. Can a parent volunteer to help during practice?

A—No. No one except properly licensed or certified coaches may perform coaching duties in practice or in game competition.

Q—Our school has an academic rule where students have to be passing all classes or are checked academically on a weekly basis. Can they do that?

A—Yes. Each local school shall establish their own rules governing academic eligibility. They may also establish their own timelines for becoming eligible again.

Q—Can a school have “good conduct” rules and consequences in junior high?

A—Absolutely. Each local school may establish their own set of “good conduct rules and consequences”.

Q—Is it legal for a school to hold practice on a Saturday, Sunday, or during Thanksgiving, Christmas or spring vacation?

A—Yes. Each local school is in charge of determining their own practice schedules.

Q—Do we have to have licensed officials to officiate junior high games or matches? A—

Yes, at least one registered official must be used in all sports. It is obviously recommended that all officials be registered in volleyball, basketball, softball, soccer, etc.

But it is permissible to conduct the game with one registered and others as non-registered. Remember, high school students may become licensed to officiate games involving seventh and eighth grade students.

Q—We witnessed a high school student officiating in a junior high game. Is this legal? A—It is possible for a high school student to be licensed. They are only allowed to officiate junior high games.

Q—We have a boy in our junior high who would prefer to play on the girls' volleyball team instead of on the boys' football team. Can he do that?

A—No. A boy is not permitted to participate (or practice) on a girls' athletic team.

Q—Can a junior high girl participate on the junior high boys wrestling or football team?

A—Yes, subject to the policies of the Iowa High School Athletic Association and local school district. If there is a like sport program for girls within your school district, then the girl must participate on the girls' team. If a like sport is not offered, then it is possible for the school district allow the girl to compete on the boys' team. A meeting is recommended involving the principal, athletic director, coach, athlete, and the parents to discuss the expectations and risks involved.

Q—What happens if a junior high athlete or coach gets ejected from a game?

A—A report must be filed with the State Office from the official and from the school administration of the offender. Typically for a first offense, a one-date suspension will be issued. For a repeat offense, a multi-date suspension will be issued. They must also view the National Federation's Sportsmanship video before being allowed to compete/coach in their next game.

Q—Our volleyball or cross country coach wants to start practice the week before school starts. Can they legally do that?

A—Fall season practices may not start before Monday of Week 8.

Q—A student is retained in junior high for a third year. Can she participate?

A—The Department of Education has no rules governing eligibility at the junior high level. However, it is recommended for each local school district to have a policy in place to govern the number of semesters a student may be eligible.

Q—A student is in the eighth grade but is 16 years of age. Is she still eligible to compete?

A—The Department of Education has no rules governing eligibility at the junior high level. However, it is recommended for each local school district to have a policy in place to govern the age limitations for a student to remain eligible at the junior high level.

Q—Our coach has stated that if an athlete misses practice that the athlete will not get to play or might even be dismissed from the team. Can they do that?

A—Yes. Each local school shall establish their own rules for their team including consequences for missing practice or other disciplinary reasons.

Q—Our coach has stated or handed out expectations in writing that if the athlete does not attend off season camps or weight room workouts, then they will not be allowed to come out for the sport or simply won't get to play. Can they do that?

A—No. Coaching personnel shall not be allowed to require students to participate in any activities outside the season of that coach's sport as a condition of participation in the coach's sport during its season.

Q—Can our high school coach work with our junior high athletes outside the season on an AAU or club team?

A—Yes. Junior high students and coaches are not governed by the camp/clinic and contact rules.

Q—In basketball, our school plays an A, B, and C game for eighth grade basketball. Can a girl play in the A and B game on the same night?

A—Girls are allowed to play in six (6) quarters on a calendar day. It does not matter which games or levels those six (6) quarters come from. It is the coach's responsibility to keep an accurate record of quarters played so that a player does not exceed the six (6) quarters in one day.

Q—In track, what is the penalty if an athlete exceeds the limit of four events in one day or exceeds the limit of running in three events?

A—The team shall forfeit all points scored by that individual in all events she was in during that meet.

Q—What are the junior high hurdle heights?

A—All junior high hurdles are 30". The 100 Meter Hurdles and Shuttle Hurdle Relay are exactly like the high school except using 30" hurdles.

Q—In volleyball, what happens if there are no line judges?

A—The officials shall simply not begin the match until line judges are selected and in place. It is the responsibility of home management to provide two line judges. It is not required for them to be adults. Many times a player from each team who are playing in a different match are used. It is also permissible for parents or teachers to be used.

Q—In volleyball, can junior high teams play two of three game matches or do they play three of five matches? And do they play to 15, 21, or 25 points?

A—In junior high, the number of games and point totals used are determined by the host school but usually mutually agreed upon by both teams or by a conference rule prior to the match. They cannot have a scoring cap—must win by two points. However, they can play two games, six games, two of three, three of five, or just play for a specified amount of time (ie...1 hour or one hour 15 minutes, etc.) and can play to 11, 15, 21, 25, points etc. The important thing is that it is mutually agreed upon prior to starting and that the officials have been informed of the protocol, point totals, and time limits prior to starting.

Q—Is it legal for junior high softball players to wear metal cleats?

A—Yes, metal cleats and metal toe plates are legal.

Q — Is it permissible to use the libero player in junior high volleyball?

A — Yes, a team is not required to use the libero, but may if they wish. Effective in 2006, the libero is also allowed to serve in one rotation spot. If used, a tracker must assist the scorekeeper in keeping track of the libero and her replacements.

Q — Can junior high athletes wear jewelry while competing?

A — Yes, jewelry is now permitted, with the exception of a watch with GPS capabilities - same rule as high school.

Q—Can our high school coach conduct a clinic for junior high or younger students during the school year?

A—Yes the contact rule does not apply to junior high age or younger students. High school athletics in that sport are allowed to assist one day each as clinicians with that clinic.

Q—Our school has the same coach for junior high as high school cross country. Can both groups practice at the same time?

A—Yes, in cross country both groups may practice at the same site simultaneously. Each local school shall determine practice protocol and schedules for grades 7-12.

Q—Can a boy participate in our junior high volleyball practice in a spiking or blocking drill?

A.—Yes, boys may practice against girls, however they are not allowed to compete with girls' teams.

Q—Can girls shoot the three-pointer in junior high girls basketball games?

A—Yes, if the playing floor is marked for the 3-point goal, it shall be used.

Q—Our school has a junior high softball team in the summer. Can they play against a club or city rec team from a neighboring school?

A—No, a school team may only play against another school team.

Q-What is the legal weight of the junior high shot put and discus? A—

Junior high uses the same shot and discus as the high school girls:
shot=4K, discus=1K.

Q-A junior high girl fails a class. ...is she eligible?

A—The academic scholarship rule does not apply to junior high. It would depend on that school's local policy.

Q—Can an eighth grade girl play softball on the junior high and high school team?

A—Yes, however she is limited to not more than three games in a day and cannot exceed 65 games for the season.

Q—During the summer, can a junior high girl participate in a camp or in a league with high school students?

A—Yes, participation in non-school events are not governed by the IGHS AU. This would be subject to local school's decision.
