

Hello everyone!

4/11/2024

I hope everyone survived the winter and are enjoying spring right now. I know you probably are not thinking about volleyball at this time but I thought you would like to know the dates of the clinics in August so you could make your plans if you are attending (which I strongly encourage). Here are the dates:

Thursday	August 9, 2024 @ Johnston	4:00 – 7:00
Wednesday	August 14, 2024 @ LeMars	5:30 – 8:30
Thursday	August 15, 2024 @ Clear Lake	5:30 – 8:30
Sunday	August 18, 2024 @ Cedar Rapids Prairie	2:00 – 5:00
Monday	August 19, 2024 @ WACO	5:30 – 8:30
Tuesday	August 20, 2024 @ Osage	5:30 – 8:30
Saturday	August 24, 2024 @ Atlantic	9:00 – 12:00

Also, just to let you that I have been asked over and over by players, coaches, officials, and parents if we are changing with the college rules changes dealing with the second touch rule and the jewelry rule. The NFHS **did not** make any changes to those two rules for the 2024 season. Therefore the jewelry rule will be the same as last year and the NFHS is going to monitor the NCAA's rule change on successive contacts this year before any potential change in 2025 at the high school level.

Another area I would like to inform you on is postseason and state qualifications. A new requirement is if a college official is interested in working the state tournament, you would have to be available for one of the following three dates, October 21, 22, or 23, for one of the following Regional-Semifinal dates, October 24 or 28, and one of the following Regional Final dates, October 29 or 30. Please keep this in consideration when setting your postseason availability.

Registration for the 24-25 volleyball season will be available July 1.

Any questions please call.

I hope you all have a great spring and summer and see you in August.

Deb
