## **TOURNAMENT MANAGERS**

Please become familiar with tournament administration policies and procedures when hosting regional games for the IGHS AU. **Do not postpone or reschedule any tournament games without first contacting the IGHS AU.** If your school is selected as a host site for a tournament game, it is the responsibility of the tournament manager to contact all schools that will be playing at your site.

## **REGIONAL SCORE REPORTING**

To report regional scores, log into Varsity Bound and enter your score on your Varsity Bound page as you’ve been doing all season. Scores must be entered immediately following the conclusion of your regional contest. Regional brackets and scores will be updated on the IGHS AU website immediately after the score is entered. If you are having trouble entering scores in Varsity Bound, please text your scores to Jason Eslinger (515-240-7649).

## **HOSTING GUIDELINES/REQUIREMENTS**

Host schools are allowed to operate concession stands if they are properly inspected and licensed.

Schools who currently are limiting the number of spectators or only allowing parents of players during the regular season will need to contact the IGHS AU regarding the expectations of hosting a contest. Schools may still be able to host, but financial accommodations will need to be agreed upon by the host school. Please contact IGHS AU Executive Director Jean Berger via email ([jeanberger@ighsau.org](mailto:jeanberger@ighsau.org)) or phone (515-401-1832) if local attendance restrictions or limitations are below capacity guidelines/social distancing guidelines issued by Governor Reynolds/IDPH.

## **REGIONAL BASKETBALL MANUAL NATIONAL ANTHEM PROTOCOL:**

A United States flag shall be displayed within the gym. The National Anthem shall be played prior to the game. Players are expected to conduct themselves in a quiet and attentive manner until the Anthem is fully completed. ## **USE OF FLOOR DURING TOURNAMENT GAMES**

The Board of Directors has established a rule prohibiting the shooting of basketballs between halves of regional tournament games, except by the teams participating in that respective game. No spectators or youth basketball games shall use the regional game floor.

## **REGIONAL TOURNAMENT ASSIGNMENTS**

Tournament sites are tentative and subject to change depending on the participating teams. 4A/5A regional finals will be hosted by the highest ranked of the remaining two teams in each region, based on the final IGHSAU rankings. In the case of both remaining teams in a region being unranked, the following tie breaker will be used to determine the higher seed:

1. Head to Head competition
2. Record against common opponents
3. Overall Winning %
4. Highest team ranking over the course of the regular season
5. Coin flip

IGHSAU member schools must have applied to host the regional tournament and certify that the facility being utilized meets the minimum requirements to host, including adequate court lighting, bleacher safety, restrooms, concessions, and meets an excepted seating capacity. Host schools should sign and return the IGHSAU Hosting Contract. The athletic director of a team affected by a site change will be notified via email. Site/time/date changes will also be posted on the IGHSAU website.

## **STATE TOURNAMENT ASSIGNMENTS**

2021 state tournament pairings will be made available on the IGHSAU website upon completion of all regional final contests in each class. Pairings will be made based on the final IGHSAU rankings of the qualifying teams. In the case of multiple unranked teams qualifying in a class, the following tie breaker will be used to determine the higher seed:

1. Head to Head competition
2. Record against common opponents
3. Overall Winning %
4. Highest team ranking over the course of the regular season
5. Coin flip

## **RULES OF PLAY & TOURNAMENT FORMAT**

National Federation Basketball Rules with the Iowa Adaptation will be utilized. The 35-point continuous clock will be utilized during regional/state tournament play. Regional tournament pairings, times, and locations are released by the IGHSAU and available on the IGHSAU website. The eight regional winners in each class advance to the state tournament.

The team with the best "criteria (seed)" shall be designated as "home team." The home team shall wear white uniforms. The visiting team shall wear non-white uniforms.

## **TOURNAMENT ROSTER FORM**

The tournament roster form shall be downloaded from the IGHSAU website in the Coaches/Administrators tab under Basketball. Each team's athletic director shall complete and send the form to the appropriate tournament manager at least 48 hours before each regional contest in which his/her team is participating. The tournament manager will use this form as follows:

Please do not add parents, coaches' spouses or children, or non-team personnel to this list. The roster form should include only those personnel with a specific game-day or school-related responsibility. It shall be the responsibility of each participating school to make certain that its roster form is complete in every detail. Keep a copy of the tournament roster form to forward to the tournament manager of each site where your team is assigned.
2. Admission to the tournament site will be made strictly from this form, and the tournament manager will also use this form as a data sheet to prepare the program prior to the tournament. Coaches may change the personnel on this form for each day of competition or if no change are made, send a copy from round to round to each site's tournament manager.

## **PASS GATE ADMISSION**

The player entries to all tournaments shall be limited to 15 players from each school and 23 total members in the team party on the floor and bench area before and during any regional and state tournament contests. Any of the 15 players may be changed from one tournament game to another (anyone other than the 15 players/substitutes on the bench or in the bench area shall be in street clothing). Coaches and their teams shall be admitted free of charge at any game in the region in which they are assigned - regardless whether they drew a bye, have been eliminated, are scouting, etc. Team members must be accompanied by the coach and must enter together.

On game night, no basketballs shall be made available to either team on the playing court until 30 minutes prior to the scheduled game start time. If a separate facility is available, both teams may be allowed access with balls prior to the actual on-court warm-up. The visiting team must be notified of this opportunity in advance, and both teams must have equal access.

The home team is permitted to have regular practice at its facility prior to hosting a tournament game the same night. However, the floor shall be cleared at least 90 minutes prior to the first game of the evening.

With the understanding that a tournament basketball game is held as part of the educational environment, the Board of Directors of the Iowa Girls' High School Athletic Union has adopted the following policies. It is the expectation that the host school enforces these rules regarding unacceptable behavior:

Any of the following actions will result in ejection of the offender from the premises:

- Disrespectful conduct, including verbal or written profanity, obscene gestures or comments, offensive remarks or signs of a sexual nature, or other vulgar actions that demean individuals or the event.
- Throwing articles onto the contest area.

Please notify the IGHSAU if any spectator is ejected from the facility including the name of the spectator. A procedure has been established to assist officials and administrators when spectator conduct becomes a problem.

1. The administrator in charge for the evening shall meet with the officials when they arrive on-site 60 minutes prior to scheduled game time. The administrator should identify his/her location during the contest so the officials know where to locate the administrator if the need arises.
2. If a problem arises during a game, the official shall stop play, notify the administrator in charge of the problem, and determine a remedy to the problem. The remedy may include asking for supervision of the troublemaker, direct confrontation of the troublemaker by the administrator, or removal of the troublemaker from the gymnasium. The game will not restart until the administration complies with the remedy ordered by the official.

Host game management is responsible for every spectator in the gym, regardless of which school the spectator supports. At no time are officials to address spectators directly. Any necessary communication with spectators shall be done by the administrator in charge.

**What defines a problem which needs to be addressed?**

A) Any derogatory or inappropriate remarks directed at players, coaches, or officials. B) Any comments or actions by spectators which prevent the official from doing his or her job at the highest level possible.

Section 123.46 of the Iowa Code states: A person shall not possess or consume alcoholic liquors, wine or beer on public school property or while attending a public or private school-related function. A person shall not be intoxicated or simulate intoxication in a public place. A person violating this subsection is guilty of a simple misdemeanor.

## **RECOGNIZING OUTSTANDING ACHIEVEMENT**

A player, coach, or team that achieves an outstanding mark during or upon completion of your tournament game may be recognized at the conclusion of the game - NOT during the game, during a timeout, quarter break, etc.

## **POST-GAME PROTOCOL**

No one (fans, parents, spectators) shall be allowed on the playing floor immediately at the conclusion of the game. The host school is responsible for keeping the floor safe for both teams and the officials and preventing anyone from coming on to the court. However, each school administration is ultimately responsible for the behavior and conduct of their spectators and students.

The host school shall make the following PA announcement at least twice prior to the completion of each game:

*“At the request of the Iowa Girls’ High School Athletic Union, no one is allowed on the playing floor immediately at the conclusion of this game. Please allow the players of both teams and the officials to exit the floor safely.”*

Also, due to safety and liability reasons, do not allow teams to cut down nets from the baskets.

## **GAME OFFICIALS**

The IGHSAU will assign game officials. Contact information for your game officials will be available to the host athletic director on rSchool (information will be shared with the host athletic director and officials by the Coordinator of Officials Chuck Brittain and/or Sherry Tegtmeier). Email reminders will be sent to the host athletic director in advance of the game.

The officials have a copy of the time schedule for your tournament and are instructed to arrive at least one hour prior to game time.

All information regarding the name of officials assigned is confidential and for the knowledge of the tournament manager only.

## **GAME OFFICIALS’ ACCOMODATIONS**

Please provide a private room that the game officials may occupy during the course of the tournament. This room should be available to them as a dressing room as well as a lounging room during intermissions. Visitors must be excluded from the officials’ room during the entire tournament. Again, NO ONE is allowed in the officials’ private room. Please provide water for the officials at halftime and after the game. Please provide an escort to and from the private room and the basketball court. Your attention to these details will assure you of a better officiated tournament and the officials will also appreciate it.

## **PRESS ACCOMMODATIONS**

All press outlets have been advised to directly contact the tournament manager of a site from which they wish to cover regional tournament games.

Radio stations and newspapers are not obligated to inquire through the IGHSAU, nor is the tournament manager obligated to acquire sanction from the IGHSAU for regional tournament coverage.

Television stations are not obligated to acquire sanction from the IGHSAU to tape highlights or tape a game for 24-hour or more delayed rebroadcast. Live video broadcast or video streaming of regional games is permitted per IGHSAU guidelines and fees.

## **PHOTOGRAPHY**

Flash photography is permitted from courtside. No pictures may be taken directly under the basket area which includes the area of the 12-foot free-throw lane extended. Photographers shall work with the tournament manager and/or game officials to ensure they are located in a position where they will not interfere with players or officials during the game.

Only official press photographers who have previously contacted the tournament manager may be at floor level during the contest. Any amateur photographers must pay admission to the contest and are not allowed at floor level. These rules apply equally to television stations using video cameras.

## **VIDEOTAPING**

Paying spectators, including those scouting for other teams, are not restricted from videotaping if the video equipment is handheld or on a monopod. A tripod may be used if located on the ground and does not hinder any spectator's view. Tournament managers are not to make special arrangements for seating or electrical hook-ups for spectators trying to film or videotape. No supplemental lighting is permitted.

If an area is usually set aside for videotaping by the competing schools, such is also permitted during tournament play, and supplemental power and tripods may be used in this area only.

## **MANDATORY STATE BASKETBALL VIDEO EXCHANGE**

It is the responsibility of each head coach who qualifies for the state tournament to make appropriate communication with the head coach of his/her first round state tournament opponent to facilitate video exchange from each team's regional semifinal and regional final games. Video exchange shall occur the day after completion of the respective regional final games and shall be by HUDL or other online exchange, next-day mail or physical delivery. If mutually agreed to by the opposing coaches, video exchange does not have to be made. As a reminder games must be uploaded (HUDL) by noon the day following your regional game.

Regional semifinal and regional final contests should be recorded by manned cameras with unobstructed views, using tripods if possible. Qualifying teams, not the host school, are responsible for filming their regional semifinal and final contests.

## **TOURNAMENT TICKETS & REPORT FORM**

The IGHSAU will only send roll tickets to schools serving as hosts who request them. You may now utilize your own roll tickets and avoid the return shipping costs of the IGHSAU roll tickets. Please keep in mind that you are still responsible for following the ticketing procedure as outlined below if you utilize your own roll tickets. If you wish to have IGHSAU tickets mailed to you, please contact Sherry Tegtmeier at the IGHSAU, 515-401-1839 or via email at [sherry@ighsau.org](mailto:sherry@ighsau.org).

IGHSAU Board policy requires member schools serving as hosts to:

- \*Collect the money for the tickets sold.

- \*Tear ticket(s) off the roll in consecutive order and then tear the ticket(s) in half or have the person at the entrance door tear the ticket(s) in half and deposit them in a receptacle, there upon the spectator may enter the tournament venue.

The proper handling of any cash demands a set of checks and balances to protect the schools, volunteers and employees against everything from unintentional errors of addition and subtraction to the potential of fraud. Many of our member schools have adopted these ticketing procedures and are currently utilizing it for non-athletic events and activities.

Report the beginning and ending numbers of tickets you used for any particular tournament series. You will also find the appropriate form on our website under "Coaches and Administrators "- "Documents and

Forms” “Tournament Report Form.”

Please print, complete, and forward the tournament report form with the check after you have hosted your **last** event for that tournament series.

**REMINDER:** All gate receipts must be received in our office no later than 30 days from the Regional Final date. If the IGHSAU does not receive your school’s gate receipts within this 30-day period, the IGHSAU will then notify the Athletic Director at your school and your school may be in jeopardy of not receiving 20% of the gate receipts.

## **ADMISSION**

Admission price is \$6 per session for each round of the regional tournament. Admission shall be charged to everyone kindergarten age and up. **Do not charge for children who are not yet in school.**

## **PASS OUT TICKETS**

Please try to avoid pass-out tickets. In the event that it is necessary to give pass-out tickets, it is suggested that a rubber stamp or marker be used to mark the back of a person's hand. One bus driver may be admitted, along with those individuals listed on the tournament checklist.

## **OFFICIAL SCORER & PUBLIC ADDRESS ANNOUNCER**

Ensure that the official scorer and public-address announcer arrive at least 30 minutes prior to game time. The public-address announcer shall announce players and/or actions of the game on an impartial and nonbiased basis (the same for both teams). Please make sure the public-address announcer visits with each team before the game for correct pronunciations of athlete names.

## **BANNERS & DISPLAYS**

The display or usage of balloons, banners, signs, or confetti is prohibited. Signs such as those used for advertisements or for tournament admission are allowed. Additionally, any object which could provide a safety concern is prohibited, as are any artificial noisemakers (e.g. air horns, cowbells, etc.). These rules also apply to the state tournament.

## **CHARITABLE CONTRIBUTIONS AND SOLICITATIONS**

No fund-raising solicitations, etc. will be permitted within the gymnasium. All raffles, bake sales, booster club sales, etc. must take place outside the gymnasium at IGHSAU-sponsored tournament games.

## **TOURNAMENT AWARDS**

All awards will be sent directly to the Tournament Manger for presentation at the conclusion of each regional final tournament game. Regional Final hosts will receive a packet of awards including the championship banner, Ticket Punched poster, as well as information for the team advancing to the state tournament.

## **STATE TOURNAMENT INFORMATION**

Prior to the semifinal round of regional play, information will be posted on the IGHSAU website explaining all state tournament protocol and information. A packet of information about the state tournament at Wells Fargo Arena will also be provided to the regional final winner at that site.

## **LIVE STREAMING INFORMATION**

The IGHSAU now allows schools and third-party media outlets to request live video broadcast access for regional postseason events. Requests must be submitted to the state office and then approved by both the IGHSAU and host site. Applications should be submitted ASAP to allow time for processing. Broadcasts are subject to an access fee - \$400 for regional early rounds, regional quarterfinals, and regional semifinals; \$750 for regional finals. The host site will receive 50% of the access fee. All broadcasts are subject to the fee structure unless **all** of the following criteria are met: the broadcast is 1) run by student group that is approved by the school's activities director and submitted to the IGHSAU via the application form, 2) does not contain third-party advertising, and 3) does not require any kind of viewer paid subscription or pay per view purchase. This includes broadcasts on the NFHS Network as the IGHSAU does not maintain a rights agreement with the NFHS Network. All access fees will be paid to the state and then 50% subsequently disbursed to the host sites following the state tournament.
