Regional Assignments – We are currently working on assignments so it is very important that you go into your Dragonfly account to block the dates you cannot work. This makes the assigning process much easier when dates are blocked that you are not able to work. It is also very important that you respond to your assignments when you receive the email notification. Please accept or decline your assignment as soon as possible. That also makes the assigning process easier.

Regional assignments will be published for Monday, October 17 and Tuesday, October 18 on **Wednesday October 13.**

Regional assignments will be published for Wednesday, October 19 and Thursday, October 20 on **Thursday, October 14.**

Regional assignments will be published for Monday, October 24; Tuesday, October 25; and Wednesday, October 26 on **Tuesday, October 18.**

Just a reminder – If a coach or player on the court is displaying unsporting behavior, USE YOUR CARDS. If they deserve a yellow or red card, give them one. This will help all of you establish

behavioral boundaries. It is difficult for the IGHSAU to punish a coach for their behavior if they never received a card for their bad behavior.

I heard a great saying the other day about officiating. **“If I didn’t make the call, it didn’t happen!”**

Have a great week!
