Volleyball Memo #4 October 10, 2022

Postseason play begins in a week! Wishing you all well in the final week of regular season play!

REGIONAL INFORMATION:

Regional Manual: The regional manual is located [HERE](#) and can also be found under *Volleyball Tournament Central* on our website. Please take the time to read over this information leading up to regional play next week.

Regional Host Checklist: In addition to information in the manual, please review the Regional Host Checklist [HERE](#) (also under *Volleyball Tournament Central*), an abbreviated version of needed information for regional play.

Online Ticketing: Host schools are required to use online ticketing when hosting regional matches. If you use a different online ticketing platform than Bound during the regular season, you are permitted to continue using that platform for regionals. All regional host school ADs were sent an email from Bound today regarding setting up tickets for your opening round matches. Your game will NOT be set up if you don't respond to them. Ticket sales can be purchased [HERE](#).

Regional Officials: Officials assignments for regional matches can be found on Dragonfly. There is a tutorial for finding your officials on Dragonfly [HERE](#). IGHS AU will assign the R1 and R2 for all postseason matches. The IGHS AU will assign line judges for all regional semi-final and final matches. Host schools are responsible for providing line judges for all matches prior to the semi-final.

Regional Tournament Roster: A link to enter your regional tournament roster is on Bound. This can be located either under the IGHS AU tab on the left, or on your program's main volleyball page. The travel party limit for regional play is 23 members; a maximum of 15 players may be in uniform. You can save that form as a PDF and forward on to the host school. (There is a section of fine print that states the travel party limit is 28 - copied from a previous form. **That is incorrect.** We're waiting on that to be corrected.)

Stats on Bound: During regional play, stats must be updated on Bound by noon the following day.

Volleyball: Host sites must use the Spalding TF-VB5 for all regional matches.

STATE INFORMATION:

State Tournament Zoom Meeting: There will be a mandatory zoom meeting for all state tournament qualifying head coaches and ADs on Thursday, October 27, at 7:00 PM. A link for that meeting will be sent to all regional finalists.

State Tournament Qualifier Packets: Each State Tournament qualifying coach/AD will receive a packet of information from the Regional Final tournament manager immediately following their Regional Final match. It is imperative that coaches and athletic directors look through the packet at their earliest convenience. The packets contain important and time-sensitive information for State Qualifying teams and fans.

State Tournament Central: State Volleyball Tournament Central page is on our website. Check that site frequently for current and updated information on all regional and state volleyball action!
