Jim Boehmer-Lake Mills, AD & BOD
Ron Fadness-Iowa Assoc. of School Boards & BOD

DOE

Ann Lebo-Executive Director & IHSAA BOC
Shan Seivert-DOE & IGHSAU BOD

*Call to Order @ 9:03 am

*Cross Country – Track & Field

-Advisory committee recommendations

- Track & Field: Scot Lamm, Head Girls Track & Field-AD, Mount Pleasant
- Track & Field: Greg Williams, Head Boys Track & Field-IATC, Monticello

M:S Schwamman-Fadness, unanimous approval on these recommendations

*State Cross Country

-Formats, 2-day event in 2020 due to COVID-19

- Survey results form 2020 indicates a favorable desire to continue a 2-day meet
- Staff in favor of 2-day event, Friday-Saturday
- Possibly need to look at rotating classes into the Friday slots so not the same classes every year (due to implications to Football playoffs on Friday)

M-S Cook-Schwamman, unanimous approval to hold 2-day State Coed meet with rotation of classes on Friday for future years

-Timing system

- Wayzata (MN) Timing system possibilities
 - Looking for ways to enhance the state meet
 - Wayzata Timing is able to upgrade, more modern capabilities
 - Minimal cost increase (\$200), but includes two split mats on the course (which would cost more to add in with Cal Murdock)

M-S Fadness-Wiebers, allow IHSAA-IGHSAU staff to pursue enhanced State Coed timing and reporting meet results (live and post-race) after consultation with Fort Dodge, Kennedy Park and Lakeside Municipal Golf Course, which could include changing timing vendors

-Drake and State Track & Field

- Much more information to come forward on HS races at Drake Relays and HS State Coed meet

*Bowling

- Positive responses on the format of the state bowling, not quite as loud as coed
- Easier to move around, view the competitors

*Adjournment, 9:40 am
