Please login to your Dragonfly account and click on **TODAY** on the left side of the screen. There you will find at the top of the page the **2021-22 Officials Volleyball Clinic Registration**. Click on **Register Now** on the right side of the screen. Confirm that your personal information is correct under the **UPDATE MY ANSWERS** tab. Choose the clinic that you would like to attend and then click review and pay. No fee for clinic attendance -- so nothing will actually be charged. Click **COMPLETE** on next screen. Please disregard **ATTEND EVENT AND UPDATE REGISTRATION** buttons that will appear on your **TODAY** page after your registration. These are for future use and cannot be hidden at this time.

All officials who have been officiating for 5 years or less must attend the scrimmage portion of the clinic. Please bring your whistle. Officiating uniform is not required.

If you have questions about the clinics, please contact Deb Richarz at debricharz@ighsau.org.
